

WHITE CERAMIC PLATE w/ Stand (8" or 10") – WTPLT-8, WTPLT-10

These white sublimation plates are perfect for any celebration, baby gift, wedding gift, or commemorative award. These plates come with a plate stand to showcase your final product.

NOTE: Due to the shape and bevel of this item, to sublimate ceramic plates, you must have either a 3D sublimation vacuum heat press or a plate puck to press onto the center of these plates. To achieve an all-over print, you must have a vacuum press. Plate comes with a stand to display the finished product.

Tools

- Printer – SG800 w/ Virtuoso PM software
- Heat Press – Sublimation Vacuum Heat Press
- Paper – JPP Sublimation Paper

Settings

- **Time:** 150 seconds
- **Temperature:** 400° F
- **Pressure:** Medium

Fabrication Process

- Place transfer face down on the product and secure with heat tape.
- Place blowout paper on top of transfer sheet.
- Press the product for allotted time.

Note: The above recommendations are a safe starting point for fabrication however due to variances in equipment and conditions may require minor adjustments to achieve optimal results.
