+ The **Epson SureColor F570 Sublimation Printer** is a lightning quick, low cost dynamo! It's one of the fastest printers in its class and delivers outstanding 2,400 x 1,200 dpi image resolution. With print sizes up to 24" wide in a compact, desktop design, you'll be able to do more in less time with the Epson SureColor F570.

Product Benefits

Extreme Print Quality. Print resolutions up to 2,400 x 1,200 dpi for amazing image quality. Precision ink drop control for outstanding clarity and sharpness.

Fast Print Speeds. New 1.33" print head with 800 nozzles per color.

Commercial-Grade Reliability. Nozzle Verifications Technology (NVT) that automatically detects nozzle conditions and adjusts as necessary.

Roll Media Handling. Easy to use with auto-loading and de-skewing of paper media. Supports roll widths from 8.3" to 24.4" on 2" diameter core.

Sheet Feeder. Features auto-feeding sheet sizes from 8.3" x 11" to 11" x 17", and supports manual loading custom sheets up to 24.4" wide and 59 feet long.
