

Maximize time and space with an additional work station. The Dual Air Fusion IQ® provides groundbreaking A and B workstations that operate independently or in unison, optimizing performance.

PRODUCTIVITY OPTIMIZED

WORK SMARTER, NOT HARDER

Built for ultimate heat printing efficiency, the Dual Air Fusion IQ® provides the functionality of two presses with dual 16" x 20" workstations. Program the press to preheat on station A and complete final application on station B. The press automatically adjusts time and pressure as it shuttles between workstations. It's a smooth, quiet, effortless operation controlled by the push of a button and tap of the foot pedal. Simply power on and choose between dual or independent operation.

DUAL AIR FUSION IQ®

PERFORMANCE

- Dual platens shuttle operation
- User-safe push-button / foot pedal operation
- Auto, semi-auto, or manual mode
- Touch screen control system with stylus
- Heat-free work surface
- Corrosion-resistant framework
- (2) 16" x 20" Quick Change lower platens
