## Import ICC

- 1. Place the ICC profile where you want.
- 2. Right mouse click -> Install Profile

## Install the preset

- 1. Go to your design software (e.g Photoshop)
- 2. Open a file and Print, now you can open the printer properties
- 3. Click Custom Settings from the dropdown menu

4.

Click Import and open the .sff file which belongs to your paper

5. After importing the .sff click Cancel
