

SUBLIMATABLE LINEN LUNCH BAG – LLT13

Made from thick, durable linen, the lunch tote offers outstanding image reproduction for a name, logo, or photo. The flat bottom and zip closure keep everything upright and secure and the soft-grip handles make the bag comfortable to carry.

Tools

- Printer – SG800 w/ Virtuoso PM software
- Heat Press – Stahls Hotronix
- Paper – JPP Sublimation Paper

Settings

- **Time:** 60 seconds
- **Temperature:** 400° F
- **Pressure:** Light/Medium

Fabrication Process

- Prepress bag in heat press for 5-10 seconds to remove wrinkles.
- Place transfer face down on the flattened bag and secure with heat tape.
- Place blowout paper on top of transfer sheet.
- Press the product for allotted time.

Note: The above recommendations are a safe starting point for fabrication however due to variances in equipment and conditions may require minor adjustments to achieve optimal results.
